Donate Your Vehicle Today: The Most Important Miles Are Yet to Come

Nevada, March 25, 2010 -- A new donation program hits the market for Special Olympics Nevada. Vehicle owners can now turn their unwanted but usable vehicles into valuable profits for their favorite charities. Vehicles can be donated at any time and the process is easy. The proceeds of each donation benefit Special Olympics Nevada, an organization devoted to children and adults with disabilities throughout the state.

Special Olympics Nevada uses support from the vehicle donation program to benefit local Nevada programs exclusively. Every dollar makes a difference and helps to support the nearly 4,000 athletes who train and compete in 11 different sports. It costs an average of \$250 to support one athlete through one sports season.

The process is simple, call 1-866-628-2277 to speak to a representative. The vehicle is usually picked up in 3-5 days at the donor's convenience. Please provide a clean title and make sure the vehicle has no major damage. A receipt for the donation will be sent as a follow-up in the mail which can be used for tax purposes.

Unwanted but usable vehicles accepted including cars, trucks, motorcycles, boats, RVs, etc. Some restrictions apply. Call 1-866-628-2277 for more information.
